The U.S. Department of Education has selected your application for further review, and KU must confirm your identity and your statement of educational purpose. Federal regulation requires that you appear in person at the KU Financial Aid & Scholarships (FAS) office and present the following:

- A valid, government-issued photo identification (driver's license, non-driver's license, other state-issued ID, or passport); and
- A signed statement of educational purpose (see below)

KU FAS will maintain a copy of your photo ID annotated with the date it was received and the name of the KU FAS official authorized to collect your ID.

If you are unable to appear in person, you must provide KU FAS with the following:

- A copy of a valid government-issued photo identification (driver's license, non-driver's license, other state-issued ID, or passport); and
- An **original** notarized statement of educational purpose, signed by you (see below). Please note that you cannot submit a paper or electronic copy of the form; you must provide the original document to KU to meet this requirement.
