When students and/or their families experience a change in circumstances such as an increase in mandatory or non-discretionary expenses, the information in the cost of attendance which is established by Financial Aid and Scholarships (FAS) may no longer accurately reflect the student’s actual costs. In some cases, FAS may be able to adjust the cost of attendance budget based on these “special circumstances.” Adjustments to Cost of Attendance (COA) budget, however do not guarantee additional financial aid will be awarded.

Required Documentation (All Categories)

- Provide a signed narrative detailing the circumstances leading to the request for re-evaluation. Please be very specific in your narrative (i.e., provide dates and clearly identify the person or persons to whom the narrative refers) so that we can be specific with our request for any follow-up documentation.

Additional Required Documentation

Medical/Dental/Disability Expenses for the Student
- Documentation of student paid expenses during the 2017-2018 academic year (e.g. canceled checks, receipts, paid medical office statements and/or paid bills) for the student. If formal payment plan(s) have been made, submit copy of signed agreement.

Additional Required Educational Expenses
- Letter from advisor/professor stating that expenses are required of all students in your program
- Copies of paid bills and/or receipts

Additional Transportation Expenses
- Copies of paid bills and/or receipts for repair bills
- Statement to confirm address from which you will be commuting

Excess Housing Costs and/or Food and Shelter for Dependents
- Signed copy of your 2015 federal tax return if student did not use the IRS Data Retrieval Tool
- Copy of Lease/Mortgage where student and family will reside during the 2017-2018 academic year
- Copy of the most recent electric, gas and water bill from the address listed on the lease or mortgage

Please note: Students enrolled in hours exceeding the standard budgets (15 for undergraduate and 9 for graduate) need only submit a signed statement to request a review of the COA for additional tuition expenses.

If you have increases based on one or more of the following types of mandatory or non-discretionary expenses, adjustment of your academic year COA may be possible. Please be sure to send copies of required documentation with this request, as the documents will not be returned. Also, be aware that your documented paid costs must exceed the amount already accounted for in that particular category in your COA (affordability.ku.edu/costs). Please attach the documentation listed below for the appropriate category. Note: Should you have additional circumstances you believe may qualify as an increase in mandatory or non-discretionary student expenses that are not listed below, please contact FAS. Criteria mentioned below are the most common only.
DEADLINE TO SUBMIT REQUEST AND ALL SUPPORTING DOCUMENTATION FOR A SPECIAL CIRCUMSTANCE RE-EVALUATION

(For increases in non-discretionary student expenses for the 2017-2018 academic year):

APRIL 1, 2018

Submit completed requests to the following address:

Financial Aid & Scholarships
KU Visitor Center
1502 Iowa St.
Lawrence, KS 66045
Fax: 785-864-5469

Your Special Circumstances Re-Evaluation request will be evaluated only after the original FAFSA and all supporting documents have been reviewed. It may take four to six weeks for us to evaluate your request. If your Special Circumstances Re-Evaluation results in increased eligibility for aid and funds are available, you may receive additional assistance. If the documentation you submit to FAS results in reduced eligibility for financial aid, however, you may be required to repay aid and/or previously awarded aid may be canceled or reduced. Please be aware that some grant funds are limited and may not be available when your Special Circumstance Re-Evaluation is completed. In addition, Federal Direct loans are limited based on federal regulation. However, additional aid options may come in the form of a Parent PLUS loan (undergraduate dependent students only), a Graduate PLUS loan (graduate students only), or a private/alternative loan such as the KU Endowment Association loan. See affordability.ku.edu/financialaid/loans for more information about loan options.
