

2018-19 APPLICATION PROCESS CHECKLIST FOR UNDERGRADUATE STUDENTS

STEP 1 REVIEW OPTIONS FOR PAYING FOR COLLEGE.

Review the available options to assist you in paying for college. Options may include personal savings, contributions from family members, investments, college savings accounts, or financial aid and scholarships.

Review the estimated costs. Your estimated cost of attendance (also known as a budget) is a standardized estimate of what it will cost you to attend KU for the academic year. Modest estimated budgets used by Financial Aid and Scholarships (FAS) include tuition, fees, room, board, books/supplies, transportation, and personal expenses. Your total expenses for the year will depend on your major field of study, living accommodations, and lifestyle. The cost of attendance (COA) is subject to change each year. Estimated COA information is available online at affordability.ku.edu/costs/. *Note: Final tuition rates for 2018-19 will be available after July 1, 2018.*

STEP 2 APPLY FOR ADMISSION TO KU.

STEP 4 APPLY FOR FEDERAL, STATE, AND INSTITUTIONAL FINANCIAL AID. PRIORITY DATE: MARCH 1ST.

Obtain a Federal Student Aid ID (FSA ID). Prior to applying for federal financial aid, obtain an FSA ID online at fsaid.ed.gov. This ID serves as your electronic signature and may be used to file your Free Application for Federal Student Aid (FAFSA), make corrections to your Student Aid Report (SAR), and monitor your federal loans. If you are a dependent student, a parent should also request an FSA ID, which will be their electronic signature on the FAFSA.

Complete the 2018-19 FAFSA. The U.S. Department of Education recommends you file the FAFSA online at fafsa.gov, but a paper application is acceptable. Indicate KU as your school of choice. KU's Federal School Code is 001948. **Priority Date: December 1.** Apply by the priority date to be considered for limited-funded financial aid programs. The 2018-19 FAFSA will be available starting October 1, 2017 and will require information from the 2016 tax year. For assistance completing your FAFSA, see our video tutorial for first-time filers - ku.financialaidtv.com.

Complete the State of Kansas Student Aid Application. If you are a Kansas resident, you may qualify for financial aid through the state. Additional information is available at kansasregents.org. *Note: An application fee is required.*

STEP 5 REVIEW YOUR STUDENT AID REPORT (SAR).

If you provided your e-mail address on your FAFSA, you should receive information about your SAR via e-mail within 5-7 days after filing your FAFSA. If you did not provide your e-mail address, your SAR will be mailed to you within 2-3 weeks. If you do not receive your SAR, contact the Federal Processor at 1-800-433-3243.

Make corrections to your SAR if the information is incorrect or additional information is requested. You may make corrections online at fafsa.gov, using your FSA ID as your electronic signature. For questions about the correction process, please call the Federal Processor at 1-800-433-3243.

You may also check the items on your 'To Do List' at sa.ku.edu > *Enroll & Pay* > *Student Center* > *To Do List*. ***Failure to submit requested information in a timely manner could affect your eligibility for some limited funded programs.*** Financial aid will not be awarded until all required additional information is received, processed, and your financial aid file is complete.

Complete Verification. If your application is selected for verification, an e-mail will be sent to your registered KU e-mail address. Please complete and submit the Verification Worksheet to the FAS office along with all required documents listed on the verification form. ***Do not submit tax documents unless requested by the Financial Aid and Scholarships (FAS) office.***
