

2018-2019 VERIFICATION INFORMATION

WHAT IS VERIFICATION?

Verification is a process mandated by the U.S. Department of Education to ensure information provided on your Free Application for Federal Student Aid (FAFSA) is accurate. When students file the FAFSA, the U.S. Department of Education may select that FAFSA for verification. If you are selected for verification the school is required to collect specific documents from you.

HOW LONG WILL VERIFICATION TAKE?

Verification may take up to four weeks after all required documentation is received by the Financial Aid and Scholarships office (FAS). We cannot complete the Verification process until we receive complete documentation. **You will not be awarded federal, state, or institutional financial aid until all required information is received and processed by FAS and your financial aid file is complete.** If you wish to be considered for limited-funded aid programs, the deadline for COMPLETING the verification process for the 2018-19 academic year is February 15, 2018. For awarding of loans, all verification documents for the 2018-19 academic year must be submitted by May 1, 2019 (prior to the end of the Spring 2019 term). Students who think they will qualify for Pell Grants should contact FAS if submitting documents after May 1, 2019. Verification file review may take up to four weeks.

HOW DO I KNOW IF I AM SELECTED FOR VERIFICATION?

If you are selected for Verification, this will be indicated on your Student Aid Report (SAR), which is sent to you after you file the FAFSA. In addition, a notification will be sent to your registered KU email account. You may also check the items on your 'To Do List' at sa.ku.edu > *Enroll & Pay* > *Student Center* > *To Do List*.

WHAT SHOULD I DO IF MY APPLICATION IS SELECTED FOR VERIFICATION?

You must submit the following documentation to FAS by completing and uploading your documents at verification.ku.edu. NOTE: If you and your parents/spouse elected to use the IRS Data Retrieval Tool when you filled out the FAFSA (and did not make any changes to the data), you will NOT need to send in a Tax Return Transcript as indicated below in the second bullets.

HOW CAN I AVOID DELAYS?

- Submit all required documents promptly and ensure that the Verification Worksheet is complete.
- Do not leave items blank; Make sure all documents are completed and uploaded to verification.ku.edu.
- Respond to any request for additional information promptly. Be sure to check your KU registered email account regularly. You can also check the status of your file in the Student Portal at verification.ku.edu.

WHAT HAPPENS WITH THE INFORMATION I SUBMIT?

When FAS receives the required Verification documents the information on these documents is compared to the information you provided on your 2018-2019 FAFSA. FAS will make changes (if necessary) to your FAFSA and submit those changes to the U.S. Department of Education. You will be notified of the changes made to your FAFSA data.

WHAT IF THERE IS A DISCREPANCY?

If information from documents you submit conflicts with your FAFSA data, FAS may require additional information to clear up the discrepancy. FAS will contact you via email to request additional information when applicable. All requests for additional information will be sent to your registered KU email account.

WHAT IS THE IRS DATA RETRIEVAL TOOL?

When students and parents complete the FAFSA, they have the option to view and transfer their tax information from the IRS directly to the FAFSA. When students and parents do this, and do not make any changes to the data, they will not be required to submit IRS Tax Return Transcripts. More information about the IRS Data Retrieval Tool can be found at fafsa.gov. Students and parents are strongly encouraged to use the IRS Data Retrieval Tool without making any changes to the data. Use of the tool can significantly shorten Verification processing time.

WHAT IF I DID NOT INITIALLY ELECT TO USE THE IRS DATA RETRIEVAL TOOL?

You have two options:

1. You can go back to your FAFSA (fafsa.gov) and indicate that you would like to use the IRS Data Retrieval Tool. We will wait for that new data to be sent to us before proceeding with the Verification process (usually about one to two weeks). You will still need to complete the Verification Worksheet.
2. You can submit copies of your (and your parent(s)/spouse's if applicable) 2016 Tax Return Transcripts.

WHAT IF I DID NOT FILE AN INCOME TAX RETURN?

If you, your spouse and/or parent/stepparent are required by the IRS to file an income tax return for 2016, a Tax Return Transcript must be submitted, or the IRS Data Retrieval Tool must be used. If you have questions regarding your filing status, contact the IRS at 1-800-829-1040 or irs.gov. Students at the University of Kansas may visit Legal Services for Students at 312 Burge Union for tax assistance.

If you, your spouse, or parent/stepparent worked during 2016 but are not required by the IRS to file an income tax return, you must still submit copies of all W-2s issued by employers. In addition, independent students, spouses and parents of dependent students will be required to submit a Verification of Non-Filing, which is available at <https://www.irs.gov/individuals/get-transcript>.

WHAT IF I DID NOT EARN ANY INCOME IN 2016?

If you, your spouse and/or parent/stepparent did not earn any income in 2016, you will be required to submit a signed, statement certifying you didn't file and are not required to file AND a Verification of Non-Filing (available at <https://www.irs.gov/individuals/get-transcript>). Dependent students are not required to submit the Verification of Non-Filing. Only independent students, spouses and parents are required to submit the Verification of Non-Filing.

WHO DO I CONTACT IF I HAVE QUESTIONS ABOUT THE VERIFICATION PROCESS?
