SATISFACTORY ACADEMIC PROGRESS (SAP) – GRADUATE/LAW STUDENTS

To be eligible for federal, state, and some types of institutional financial aid, you must meet Satisfactory Academic Progress (SAP) standards. The Financial Aid and Scholarships (FAS) office has established guidelines (based on federal regulations) for evaluating your progress, taking into consideration your cumulative KU GPA, the cumulative number of hours you have attempted and completed at KU as well as hours that have successfully transferred from any other postsecondary institution, and the maximum amount of time you are allowed to complete your degree. These three standards are referred to as GPA, Completion Rate, and Maximum Time-frame. All three will be reviewed at the end of each period of enrollment. The financial aid SAP standards are not identical to the academic standards of the university, Graduate Studies, or of any department or professional school. Permission to enroll is not synonymous with financial aid Satisfactory Academic Progress.

Graduate/Law students are considered to be meeting SAP standards on their first day of enrollment in a degree-seeking program. Students may continue to receive financial aid while meeting the minimum standards for SAP (see below). Non-degree seeking students are generally ineligible for federal financial aid. If you are a student in the School of Pharmacy, please review the SAP information page for pharmacy students, available at affordability.ku.edu/forms. Students in the professional Master of Architecture program should review the undergraduate SAP information page, available at affordability.ku.edu/forms.

MINIMUM SAP STANDARDS FOR GRADUATE AND LAW STUDENTS

- Maintain the required GPA.
  - Graduate: maintain a minimum 3.0 cumulative KU GPA. Your KU GPA includes all KU courses taken within the Graduate career graded A-F.
  - Law: maintain a minimum 2.0 cumulative KU GPA (L.L.M Program in Elder Law requires a 2.50 GPA). Your KU GPA includes all KU courses taken within the Law Career graded A-F.
- Successfully complete a minimum of 70% of all hours attempted. Your completion rate is calculated by dividing the total amount of successfully completed hours by the number of attempted hours within each career.
- Complete your degree within the time limit allowed for your degree program.
  - Complete your Master’s degree within 7 years of your first day of enrollment.
  - Complete your Doctoral degree within 8 years of your first day of enrollment.
  - Complete your Juris Doctor (JD) degree within 5 years of your first day of enrollment.
  - Complete your Doctor of Juridical Science (SJD) degree within 8 years of your first day of enrollment.
  - Complete your L.L.M Program in American Legal Studies within 3 years of your first day of enrollment.

Your academic progress is evaluated each semester. Courses you are enrolled in on or after the first day of classes are reviewed. Courses marked “F,” “incomplete,” “no credit,” “dropped,” “withdrawn,” “no grade,” “waiting on grade”, and unposted grades are considered courses attempted, although not successfully completed. Graduate or Law courses successfully transferred from any other postsecondary institution are calculated as completed courses. Courses academically forgiven or retroactively withdrawn will continue to be evaluated as courses attempted, although not successfully completed.

SAP REVIEW AND PROCESS

Your SAP status will be reviewed at the end of each term of enrollment, including summer. If you fall below the minimum GPA or Completion Rate standards for the first time, you will be placed on Financial Aid Warning for one term. During the Financial Aid Warning term, you will continue to be eligible for financial aid. If you are still not meeting the minimum GPA or Completion Rate standards at the end of your second term you will lose eligibility. If you exceed the maximum time frame allowed for your degree program you will lose eligibility without a warning term. You will receive an email notification sent to your registered KU email account informing you of your SAP status. You may also check your status in Enroll & Pay under the Accept/Decline Financial Aid Awards section (https://sa.ku.edu). There is a Financial Aid SAP Appeal Process for students who lose eligibility (see below). Students who exceed the maximum time frame do not need to appeal. If you have been granted an extension by an academic unit, FAS will accept the documentation and extend the time frame accordingly without an appeal.
EXAMPLE SAP SCENARIOS:
1. You have attempted 60 hours as a graduate student at KU. Out of the 60 hours attempted, you have successfully completed a total of 38 hours (63% of coursework attempted). You are NOT meeting the minimum SAP standards because you have not successfully completed 70% of your attempted hours.

2. You are a student in the School of Law and it has been four years since your first day of enrollment. You have a 1.8 KU GPA. You are NOT meeting the minimum SAP standards because you have not maintained a 2.0 KU GPA.

3. You are a graduate student working on a Master’s degree and it has been eight years since your first day of enrollment. You have a 3.5 KU GPA. You are NOT meeting the minimum SAP standards because you have exceeded the time allotted to complete your degree. Your time frame can be extended without having to submit an appeal. Instruct your academic unit to fill out a Graduate Time to Degree form online (http://graduate.ku.edu/progress-degree-forms), or submit another form of documentation to FAS.

FINANCIAL AID SAP APPEAL PROCESS

Students who are ineligible for financial aid because they are not meeting the minimum SAP standards but feel they have experienced unique, extenuating circumstances, may appeal for financial aid eligibility as outlined below:

**STEP 1** Schedule an appointment with a Financial Aid Counselor to discuss your situation. If there are extenuating circumstances that have caused you to become ineligible for aid, you may be eligible to appeal. If you are eligible to appeal, the Financial Aid Counselor will provide you with the appeal form and instructions on how to complete the appeal process.

**STEP 2** Complete and submit the appeal form, with required supporting documents, by the deadline indicated on the appeal form to the Financial Aid and Scholarships (FAS) office. Your written narrative must be typed and complete – this is an opportunity for you to include any letters of support from professors, physicians, etc.

**STEP 3** You can anticipate a decision from the Financial Aid Appeals Committee within four weeks, depending on the volume of appeals submitted. Following the review of your appeal, you will be contacted via email. If your appeal is approved, you will be instructed to meet with a Financial Aid Counselor to review and sign your Financial Aid Contract. If your appeal is denied, the email will include criteria you must meet to be eligible to submit a subsequent appeal. Committee decisions are final and are not subject to further review.

FREQUENTLY ASKED QUESTIONS

**WHAT IF I HAVE NEVER RECEIVED FINANCIAL AID OR IF I HAVE ONLY RECEIVED AID FOR A FEW SEMESTERS?**

All semesters, including semesters in which you did not receive financial aid, must be included in the review of your Satisfactory Academic Progress.

**WHAT DOES THE FINANCIAL AID APPEALS COMMITTEE CONSIDER WHEN REVIEWING AN APPEAL?**

The committee reviews each appeal individually, on a case-by-case basis. Written documentation of illness, accident, injury, death of a close family member, or other extenuating circumstances throughout your academic career for which you could not plan, influence, or prevent will be considered carefully. You should include this and other relevant information in your narrative, along with documentation from appropriate third parties (such as a physician, therapist, copies of police reports, etc.). Your appeal should also include your plan for meeting the minimum SAP standards in the future.

**WHAT HAPPENS IF MY APPEAL IS APPROVED?**

The committee will send you an email with instructions to meet with a Financial Aid Counselor to review and sign your Financial Aid Contract. The appeal decision letter details the criteria you must meet each semester. You will continue to be eligible for financial aid while you are meeting these criteria within the timeframe allowed for you to complete your degree. If you fail to meet the criteria, you will lose your eligibility. Your Financial Aid Contract details your eligibility for a subsequent appeal, including whether or not you are eligible to re-appeal.

**IF MY APPEAL IS DENIED, ARE THERE ANY OTHER SOURCES OF FUNDING?**
There may be additional funding opportunities for you through the KU Endowment Association Loan Program and/or private/alternative loan programs if you meet the minimum criteria for these funds. You may discuss these options with a Financial Aid Counselor or review the Private/Alternative Loan information sheet at affordability.ku.edu/forms/.
