To be eligible for federal, state, and some types of institutional financial aid, you must meet Satisfactory Academic Progress (SAP) standards. The Financial Aid and Scholarships (FAS) office has established guidelines (based on federal regulations) for evaluating your progress, taking into consideration your cumulative KU GPA, the cumulative number of hours you have attempted and completed at KU, as well as hours that have successfully transferred from any other postsecondary institution, and the maximum amount of time you are allowed to complete your degree. These three standards are referred to as GPA, Completion Rate, and Maximum Time-frame. All three standards will be reviewed at the end of each period of enrollment. The financial aid SAP standards are not identical to the academic standards of the university or the School of Pharmacy. Permission to enroll is not synonymous with financial aid Satisfactory Academic Progress.

Pharmacy students are considered to be meeting SAP standards when they have been admitted into the Doctor of Pharmacy (PharmD) program. Pharmacy students may continue to receive financial aid while meeting the minimum standards for Satisfactory Academic Progress (see below). If you are not a student in the School of Pharmacy PharmD program, please review the applicable SAP information page for other students at http://affordability.ku.edu/financialaid/sap.

**MINIMUM SAP STANDARDS FOR PHARMACY STUDENTS**

- Maintain the required GPA. Your KU GPA includes all KU courses graded A-F. Repeated coursework will affect academic progress as indicated in the University of Kansas Undergraduate/Graduate Catalog.
  - minimum 2.25 cumulative KU GPA for students who were admitted into the School of Pharmacy prior to Fall 2013
  - minimum 2.50 cumulative KU GPA for students who were admitted into the School of Pharmacy beginning Fall 2013
- Successfully complete a minimum of 70% of all hours attempted. Your completion rate is calculated by dividing the total amount of successfully completed hours by the number of attempted hours.
- Complete the PharmD program within 312 attempted hours (students who are enrolled in the BSPS degree program only and not seeking the Doctor of Pharmacy have a limit of 180 hours). The maximum hour limit includes hours attempted at KU and/or hours that have successfully transferred from any other postsecondary institution, regardless of whether you received financial aid for any/all of those hours.

Your academic progress is evaluated each semester. Courses you are enrolled in on or after the first day of classes are reviewed. Courses marked “F,” “incomplete,” “no credit,” “dropped,” “withdrawn,” “no grade,” “waiting on grade”, and unposted grades are considered courses attempted, although not successfully completed. Undergraduate courses successfully transferred from any other postsecondary institution are calculated as completed courses. Courses academically forgiven or retroactively withdrawn will continue to be evaluated as courses attempted, although not successfully completed.

**SAP REVIEW & PROCESS**

Your SAP status will be reviewed at the end of each term of enrollment, including summer. If you fall below the minimum GPA or Completion Rate standards for the first time, you will be placed on Financial Aid Warning for one term. During the Financial Aid Warning term, you will continue to be eligible for financial aid. If you are still not meeting the minimum GPA or Completion Rate standards at the end of your second term you will lose eligibility. If you exceed the maximum time frame allowed for your degree program you will lose eligibility without a warning term. You will receive an email notification sent to your registered KU email account informing you of your SAP status. You may also check your status in Enroll & Pay under the Accept/Decline Financial Aid Awards section (https://sa.ku.edu). There is a Financial Aid SAP Appeal Process for students who lose eligibility. (see below).

FINANCIAL AID SAP APPEAL PROCESS

Students who are ineligible for financial aid because they are not meeting the minimum SAP standards who feel they have experienced unique, extenuating circumstances, may appeal for financial aid eligibility as outlined below:

STEP 1 Schedule an appointment with a Financial Aid Counselor to discuss your situation. If there are extenuating circumstances that have caused you to become ineligible for aid, you may be eligible to appeal. If you are eligible to appeal, the Financial Aid Counselor will provide you with the appeal form and instructions on how to complete the appeal process.

STEP 2 Complete and submit the appeal form, with required supporting documents, by the deadline indicated on the appeal form to FAS. Your written narrative must be typed and complete – this is an opportunity for you to include any letters of support from professors, physicians, etc.

STEP 3 You can anticipate a decision from the Financial Aid Appeals Committee within four weeks, depending on the volume of appeals submitted. Following the review of your appeal, you will be contacted via email. If your appeal is approved, you will be instructed to meet with a Financial Aid Counselor to review and sign your Financial Aid Contract. If your appeal is denied, the email will include criteria you must meet to be eligible to submit a subsequent appeal. Committee decisions are final and are not subject to further review.

FREQUENTLY ASKED QUESTIONS

WHAT IF I HAVE NEVER RECEIVED FINANCIAL AID OR IF I HAVE ONLY RECEIVED AID FOR A FEW SEMESTERS?
All attempted hours, whether or not you received financial aid, must be included in the review of your Satisfactory Academic Progress. Your cumulative hours attempted include successfully transferred hours from any other postsecondary institutions.

WHAT DOES THE FINANCIAL AID APPEALS COMMITTEE CONSIDER WHEN REVIEWING AN APPEAL?
The committee reviews each appeal individually, on a case-by-case basis. Written documentation of illness, accident, injury, death of a close family member, or other extenuating circumstances throughout your academic career for which you could not plan, influence, or prevent will be considered carefully. You should include this and other relevant information in your narrative, along with documentation from appropriate third parties (such as a physician, therapist, copies of police reports, etc.). Your appeal should also include your plan for meeting the minimum SAP standards in the future.

WHAT HAPPENS IF MY APPEAL IS APPROVED?
The committee will send you an email with instructions to meet with a Financial Aid Counselor to review and sign your Financial Aid Contract. The appeal decision letter details the criteria you must meet each semester. You will continue to be eligible for financial aid while you are meeting these criteria within the timeframe allowed for you to complete your degree. If you fail to meet the criteria, you will lose your eligibility. Your Financial Aid Contract details your eligibility for a subsequent appeal, including whether or not you are eligible to re-appeal.

IF MY APPEAL IS DENIED, ARE THERE ANY OTHER SOURCES OF FUNDING?
There may be additional funding opportunities for you through the KU Endowment Association Loan Program and/or private/alternative loan programs if you meet the minimum criteria for these funds. You may discuss these options with a Financial Aid Counselor or review the Private/Alternative Loan information sheet at affordability.ku.edu/forms/.
